

The Most Remarkable Collection of
★ NUN-DOLLS ★
in the U. S. A., (perhaps in the world)
is located at HAYS, KANSAS.

The photo shows only a portion of
the more than 200 dolls in the collection of

Mrs. MARGARET SAHLI

who has made it her hobby for many years to
secure life-like imported dolls and have them
dressed in exact replica of the authentic garb
of the sisterhoods represented.

The dolls are dressed by members of the
various communities themselves and every
detail is minutely duplicated. The same ma-
terials as used in the official garb of the
Nuns; rosaries, insignia, even little gold or
silver rings have been provided. In order to
make the dolls look still more realistic quite a
number of them have been fitted with minia-
ture spectacles which were made to order
by an optical company.

Mrs. Sahli is continuing to add to her col-
lection and hopes eventually to have every
community of sisters in the world represented.
